Vernal Pool - Talk and Walk

The Bow Conservation Commission is sponsoring two events about vernal pools -- a seasonal phenomenon that may be occurring in your own backyard!

Learn about vernal pools and their inhabitants.

Wednesday, April 29, 2009, from 7 - 8 pm

Old Town Hall

Join us for a slide presentation on vernal pools and their temporary inhabitants.

Explore a vernal pool in the Knox Road Town Forest.

Saturday, May 2, 2009, from 10 am -12 noon

Meet at 10 a.m. at the Knox Road parking lot for a short 10-minute walk to a vernal pool before we explore its inhabitants.

- 🦎 Wear boots and other clothes that can get wet or dirty!
- 🦎 Walk will be held unless severe weather is predicted.

The presentation and walk will be conducted by Sandy Crystall, a member of the Conservation Commission and a professional wetland scientist.

Adults and children 6 and up are welcome to attend both events.

For more information, contact Sandy Crystall at 496-2738 or scrystall@gmail.com.
